

Marijuana and the Workplace: Issues, Impacts and Responsibilities

Marijuana is one of the most commonly used mind-altering substances in the world. The laws on growing, selling, possessing and consuming marijuana vary greatly from one jurisdiction to another. Whatever the law may allow in your area, having employees under the influence of marijuana can create problems for your workplace in terms of safety and lost productivity. In this course, you will learn how to lower the risks and respond to issues that may arise.
