

Mastering the Interview

The interview is one of the key elements of the job search process. As with any skill, we can get better at it with preparation and practice. In this training, participants will explore how to prepare for an interview and become familiar with the types of questions to expect, as well as the questions they should think about asking. They will learn how to prepare for second interviews, testing, and shadowing, as well as how to follow up on their interview sessions.
