

Marketing with Social Media

Social media remains an evolving aspect of our daily lives in addition to being a part of our businesses. This course is designed for people who have some familiarity with social media already. Participants will learn to develop a social media marketing plan as a part of their overall marketing strategy, determine who should be on their team, and choose how they will measure what is taking place. In addition, we will explore some of the major social media sites and look at how specialty sites and social media management tools can take their social media marketing to the next level.
