

National Certificate Generic Management NQF 5 162 credits (1yr Online Course)

This qualification is for any individual who is, or wishes to be involved in general management.

A person acquiring this qualification will be able to manage first line managers in an organizational entity. First line managers may include team leaders, supervisors, junior managers, section heads and foremen. The focus of this qualification is to enable learners to develop competence in a range of knowledge, skills, attitudes, and values including:

- Initiating, developing, implementing, and evaluating operational strategies, projects, and action plans.
- Monitoring and measuring performance and applying continuous or innovative improvement interventions in the unit in order to attain its desired outcomes.
- Leading a team of first line managers, by capitalizing on the talents of team members and promoting synergistic interaction between individuals and teams.
- Building relationships using communication processes both vertically and horizontally within the unit.
- Applying the principles of risk, financial and knowledge management, and business ethics within internal and external regulatory frameworks.
- Enhancing the development of teams and team members through facilitating the acquisition of skills, coaching, providing career direction, and capitalizing on diversity in the unit.
