

# National Certificate in Banking

## NQF 5 – Credits: 120

### SAQA: 20186(1yr online training)

This programme is targeted at individuals who wish to pursue a career in the financial sector, with institutions such as commercial banks, consumer lenders, or co-operative financial institutions. It is also relevant for staff of government departments involved in regulation of the financial sector.

The aim of this programme is to provide participants with a thorough understanding of the role of banks and other financial intermediaries in society, the context within which they operate, and the operating principles and approaches which have become best practice for the sector. A secondary objective is for learners to develop the technical skills required to succeed in the sector, including communication and sales skills, administration and financial analysis skills
