

Business Leadership

Online Short Course Diploma (6 months)

This training is a tool for your leadership development. It is designed to help you create and accomplish your personal best, and to help you lead others to get extraordinary things done. Business management skills are invaluable in all organisations and across a broad range of industries. Employees, managers, and leaders in everything from start-ups to well-established corporations can set themselves apart by studying business management and understanding the underlying principles of running a business. Gain key business, risk, and financial management competencies, and enhance your existing qualifications with an online short course from Cornerstone.
